I have examined the above Balance Sheet of the Province of Ontario as at March 31, 1966, the Statements of Revenue and Expenditure for the year ended on that date and other related statements, and have compared them with the books of account and financial records. I have obtained all the information and explanations I have required.

Subject to the qualifications in my report of even date to the Legislative Assembly, in my opinion and according to the best of my information and the explanations given to me and as shown by the books of the Province, the Balance Sheet, Statements of Revenue and Expenditure and the other related statements are properly drawn up in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year so as to present fairly the financial position of the Province as at March 31, 1966, and the results of its operations for the year then ended.

Provincial Auditor's Office,
Toronto, November 25, 1966.
